OFFICE MATTERS

PRAYER REQUESTS

Ester (Day 28)

Please pray for God's provision for a replacement for our website director who will step down in May 2025 to enable him and his wife to work in an overseas assignment in Asia. He is currently based in the USA. He will still work part-time as the product manager for our website software on a part-time basis. Pray that his replacement is found soon so that he can turn over his wealth of experience and knowledge to his successor. Praise God for your prayers for good health to enable me to continue being a part of God's Mission.

Bruce & Robin (Day 27)

Thank you for your support and prayers. Please pray for a Persian couple S & V who have chosen to follow Jesus. The father is now in the last days of his life with cancer, and they are wanting to see a miracle. Please pray that they do not lose sight of what it means to follow Jesus.

Bill & Angela (Day 17)

Please pray for the ongoing remodel process at Family Church. We are slowly making progress despite the setbacks! Please pray for our couples' workshop on conflict resolution to go well this weekend. We each have a nephew with a life-threatening health situation. Bill: nephew Ethan (22yr) in Texas has autoimmune hepatitis and needs a liver donor. Angela: nephew Owen (6yr) in England battling cancer and beginning another aggressive 7-month chemotherapy treatment next week. Please pray for them.

Andrew & Patrizia (Day 10)

Andrew has been struggling with flu symptoms after having lunch with an Indian man with a fever in Rome last week. This Friday he is due to travel all day to the Adriatic Coast to a conference where on Saturday he is due to receive his Christian Counselling Diploma. Please pray for this to be possible. We are also having to spend time on Specialist visits for both of us to deal with some long-standing health issues. Please pray for the Lord's provision.

David & Meike (Day 10)

We have been dealing with a lot of sickness in the past weeks. We would appreciate prayers for our health and strength. Next week we will send out our first Hoffen (hope) magazine for the year. Meike has been working with the team on the magazine, and I am doing the preparation now to send it out.

MOVEMENTS

David & Enless (Day 8)

Have arrived
Depart 10th July

Nigel (Day 25)

Returns 1st April

Ian & Judith (Day 22)

Return 8th April

COMMENDATIONS

Tāmaki Community Church is pleased to inform you that they would like to formally commend Samuel & Hannah Liddle and their whānau to the work with Bridging Gap Drug Rehabilitation (Bridging Gap Association), based in Kugark, Jiwaka Province, Papua New Guinea. They have been working in this role since 2024.
